Dear Supportive Member(s),

You're receiving this letter as a friendly reminder that annual dues must be collected on or before July 15<sup>th</sup>. The board of directors have decided to slightly increase dues from \$20.00 to \$25.00 for family and from \$15.00 to \$20.00 for individuals to support your museum. Your annual dues provide support for utilities, insurance, and other miscellaneous bills to keep your museum open.

You also receive many other benefits when paying your dues; such as, monthly programs during membership meetings, outstanding research materials, new displays, and quarterly newsletters containing interesting facts and stories about your community.

We have not been able to conduct fundraisers over the past 2 years and now is the time to consider volunteering by working during open hours, building new displays, joining a committee, and / or providing additional donations.

We have re-opened the museum on Saturdays between 10AM - 2PM and looking to add additional days soon and hope you have opportunity to stop in and visit the new town/township kiosk that provides artifacts and information about your portion of the county.

**Thank you for your continued support and please use the form on the other side of this letter to renew your dues and / or make a donation. Also, contact me if you would like an opportunity to volunteer.**

Sincerely,

Deb Dahlberg
